BOCA RATON MUSEUM OF ART
ASSOCIATED PRESS: NATIONAL REACH

The Boca Raton Museum of Art reached an unprecedented level of publicity via this national story that News Travels Fast successfully secured with our contacts at The Associated Press.

The national story about the Art of the Hollywood Backdrop was picked up by multiple TV stations nationwide, including the flagship ABC affiliate in Los Angeles (see page 19). The Museum reached a potential audience of millions of television viewers across several cities. This AP story was also picked up by the editors at USA Today (see page 22) and by Yahoo Entertainment (see page 23).

The Associated Press is one of the largest news organizations in the world. More than half of the world’s population sees Associated Press journalism every day. The Museum’s story was also retweeted extensively thanks to AP Entertainment’s 186,000 Twitter followers.

Hollywood’s iconic larger-than-life scenic backdrops are going to be on display at an exhibit opening at the Boca Raton Museum of Art on Wednesday.
This is the opportunity for you to see some of your favorite childhood movies come to life.

Do these canvasses look familiar to you? There are 22 backdrops from movies released between 1938 and 1968, including North by Northwest, the Sound of Music and Singin’ in the Rain. The “Art of the Hollywood Backdrop” exhibit will be at Boca Raton Museum of Art.
In Florida's Boca Raton Museum of Art, a new exhibit features historic, original backdrops which debuted during Hollywood's Golden Age.
